# **Single Equality Scheme Statement**

Stephenson Memorial Primary is an inclusive school that celebrates and values the differences and diversities within its community. We strongly focus on the well being, safety and happiness of all members and actively promote this at all opportunities. We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people.

# Ofsted January 2018 states:

The school gives the safety and well being of pupils a high priority and has built up a dedicated team of staff to ensure that the standard is high. The schools staff work closely with families in the community and a wide range of external agencies to ensure that pupils at risks receive the support needed.

This Single Equality Scheme aims to integrate equality into the school's core priorities and functions. It will inform our School Development Plan and this will enable us to:

- Demonstrate how promoting equality and eliminating discrimination can help raise standards
- Ensure that equality and diversity are part of the school's core business both as a school and as an employer
- Promote community cohesion and good relations between people of different backgrounds through education
- Inform the overall evaluation of our effectiveness in our self-evaluation form for future Ofsted inspections
- Ensure that our equality objectives complement the Every Child Matters outcomes for children
- Place the school in a position, which is regarding by every one as an environment that affords respect and fair treatment of all.

This Scheme aims to bring together equality strands in one harmonised document and set out our school commitment to promotion of race, disability and gender equality as well as incorporating then newer legislation on age, sexual orientation, religion and belief and transgender. Our Equality Action Plan will bring together all our existing work as well as enabling us to introduce developments. Our equality and diversity policy promotes fairness and equality of opportunity as well as celebrating diversity for all people.

### Our Key equality and diversity objectives are:

- To increase staff and pupil knowledge and understanding of equality and diversity issues
- To work together with stakeholders to deliver more effective and equal outcomes for staff and pupils.
- To understand that all learners are of equal value, recognising that diversity is a strength within our community that is celebrated.
- Mutual respect, positive attitudes and relationships are promoted.

- We all belong to a community that works well together to promote positive outcomes for all embracing the schools vision of Leading, Achieving, Believing
- Equality and diversity applies to all members of our community, adults and children alike. We ensure that all policies and procedures benefit all employees.
- We have high standards and expectations that all children regardless will and can achieve their potential and the Academy strives to fullfill this at every opportunity.

# What do we mean by Equality and Diversity?

Equality refers to outcomes, making sure that all social groups benefit equally from our activities. Diversity recognises that we can only achieve equality by taking into account the different needs of communities. Equality is impossible to achieve without recognising diversity.

### What is discrimination?

Discrimination is a type of negative treatment that affects a whole group of people, or an individual because they belong to a group.

Direct discrimination is when a person is treated less favourable than others because of their (real or perceived) ethnicity, disability, age, sexuality, religion/belief or gender.

Indirect discrimination is when there are rules or procedures that have the effect of discriminating against certain groups of people.

### This Scheme applies to our

- Pupils
- Staff
- Governors
- Parents/Carers
- Visitors

# **British Values**

Promoting British Values at Stephenson Memorial Primary underpins the curriculum we deliver and the ethos we try to establish within the community.

The Department for Education states that there is a need "to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British Values of Democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

At Stephenson Memorial these values are reinforced regularly and in the following ways:

**Democracy**: Pupils are always listened to by adults and are taught to listen carefully and with concern to each other, respecting the right of every individual to have their own opinions and voices heard. Pupils also have the opportunity to air their opinions and ideas through our school council and regular pupil voice. The election of the school council members are based solely on pupil votes, reflecting our British electoral system and demonstrating democracy in action.

The Rule of Law: The importance of laws, whether they are those that govern the class, the school or the country are consistently reinforced. Our school has "Golden Rules", which are deeply embedded in our work every day. Each class also discusses and sets its own rules that are clearly understood by all and seen to be necessary to ensure that every class member is able to learn in a safe and ordered environment. Our pupils are taught the value and reasons behind laws, that they govern and protect us. Strong links with the community officers further embed this.

**Individual Liberty:** Within School, pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for our pupils to make choices safely, through the provision of a safe environment and an empowering education. Our pupils are encouraged to know, understand and exercise their rights and personal freedoms and are advised how to exercise these safely. Examples of this can be seen clearly in our E Safety and PSHE Policies and lessons.

**Mutual Respect:** Respect is one of the core values of our school. We expect impeccable behavior and at the foundation of this is expecting respect. The pupils know and understand that it is expected and that it is imperative that respect is shown to everyone, whatever differences we may have and to everything, however big or small.

Tolerance of those with different faiths and Beliefs: Our core value of respect ensures tolerance of those who have different faiths and beliefs. Stephenson Memorial Primary School enhances pupils' understanding of different faiths and beliefs through Religious Studies, PSHCE work, celebrations such as Diwali, welcoming visitors from other schools that are not predominantly white British and enjoying a depth of study during themed weeks. Through this our pupils gain an enhanced understanding of their place in a culturally diverse society.

# **Monitoring and Reviewing**

This single equality scheme will run for three years but will be reviewed and reported upon annually to the governing body.

The School Development Plan will ensure this scheme forms an essential part of the school's action on equality. It includes targets determined by the governing body for promoting a cohesive community, inclusion and equality in the school, also with reference

to the workforce. It also ensures other school policies address equality issues.

This Scheme and the schools equality and diversity policy will be regularly monitored and reviewed by staff and governors to ensure that it is effective in tackling discrimination, promoting access and participation, equality and good relations between different groups, and that it does not disadvantage particular sections of the community.

Any pattern of inequality found as a result of impact assessments is used to inform future planning and decision-making.

The Headteacher/leadership team will provide monitoring reports for review by the Governing Body. These will include: school population, recruitment, retention, progression, key initiatives, progress against targets and future plans.

# **Equality Action Plan**

The Action Plan, which is attached to this document, identifies our specific actions to enable the school to move forward in promoting the diversity agenda and achieve the equality objectives outlined in this scheme. See our Plan at Appendix A

# **Stephenson Memorial Primary School Equality Action Plan (including Accessibility)**

This document details the actions we'll take over the next three years to satisfy the requirements of the protected characteristics as referred to in the Single Equality Scheme. The action plan is structured around our school's key diversity objectives:
