

## **PE Governor's Report 2014-2015**

During this academic year, 2014-2015 I have strived to deliver high quality Physical Education across KS1 & 2 and to increase physical educational sustainability at Stephenson Memorial Primary School. I hope that my efforts will help the pupils to develop not only their physical literacy skills but lifelong learning skills, such as teamwork, communication, collaboration, emotional and social well-being.

I have developed a new curriculum map that is both planned and progressive giving all pupils the opportunities to access many activities; ensuring inclusion and diversity. I believe that PE is a great tool, for not only developing lifelong learning skills and achieving physical literacy but it also enhances pupil cognitive skills and therefore raises academic achievement.

Through the delivery of engaging and fun lessons I hope to develop their knowledge and understanding in the importance of an active healthy lifestyle and give them the opportunity to perform in competitive situations through intra-school and house competitions. The PE extra-curricular programme enables all pupils to access regular club participation in many activities giving opportunities to develop sport specific skills.

The teaching and learning in PE is an area I am currently developing. I am working with staff to increase confidence and competence in using a variety of teaching and learning styles.

Below are listed the strategies I have put into place since September 2014 to achieve impact and sustainability:

- Delivery of high quality PE to enable every pupil to gain the confidence to achieve new skills and develop a variety of roles within PE.
- Diverse PE curriculum to achieve sporting success and experience new activities.
- Increase engagement in PE for all pupils.
- Development of pupil's physical literacy.
- Development of knowledge and understanding encouraging pupils to lead active healthy lifestyle.
- Development of positive sporting values through PE curriculum.
- Increased opportunity to participate in competitive sport through intra-school competition and inter-school competitions.
- Increase sporting success in competitive sport.
- Increase opportunities to participate in local sporting festivals and competitions.
- Increase inclusive opportunities for sporting clubs: Breakfast / afterschool sports clubs and sports leader's lunchtime clubs.
- Development of opportunities for participation in informal lunchtime activities
- Increase opportunities for all pupils to participate in a broad range of sporting clubs.
- Increase numbers participating in extra-curricular clubs.

- Increase opportunities for target group pupils to engage in C4L clubs/ Sports Leader lunchtime activities.
- Increased links with local clubs: Rugby, Cricket, Basketball, Gymnastics via delivery of extra-curricular clubs.
- Delivery of community programmes during curriculum time through local club coaches.
- Development in Staff CPD via audit and links with secondary PE link teacher.
- Staff PE development time to assist in joint planning and delivery.
- Developing staff PE resources in increase staff knowledge & confidence in planning and delivery.
- Increased profile of PE in school.
- Developing Cross curricular links.
- Developing Student Voice and Sports Crew (Sports Leaders/ Sports Captains) giving opportunity for pupils to participate, lead and organise.
- Developing School website and parent links.
- Developing community links- Active Northumberland / The Parks.

### **Vision for 2015-2016**

- Further develop KS2 links with CCC.
- Identify G&T pupils and provide clubs to develop their performance levels.
- Organise inter-school competition/matches with Family Schools for G&T pupils.
- Further develop Assessment Criteria for new National Curriculum.
- Organise informal lunchtime activities with Sports Crew leading.
- Develop intra-school house competitions half-termly.
- Develop new links with local clubs.
- Develop cross-curricular links with literacy, numeracy and STEM.
- Develop cross-curricular links with PBL.
- Continue to develop pupil success in Level One and Two in Sainsbury's School Games.

I have found this year at Stephenson Memorial as the PE specialist rewarding as I have seen both pupils and staff respond to my initiatives and suggestions in a positive manner. I have enjoyed the opportunities that this new role has given me and I look forward to seeing the impact that my vision will have on the PE at Stephenson Memorial Primary School.

Please find this year's Sporting Calendar below.
